

# SWR JAZZHAUS

SWR Jazzhaus is a German record label, founded in 2011 as a joint venture between South-Western Broadcasting (SWR) Media Services and Arthaus Musik. Its mission is the phased publication of SWR's archive material, assembled since the organisation's foundation in 1957. It represents one of the world's largest unpublished collections of live jazz, comprising over 3,000 hours of radio recordings and 500 hours of TV footage, performed by more than 400 ensembles and soloists. The expertly remastered original tapes are released on CD, DVD and vinyl, as well as on the more common digital platforms. To facilitate its mission, SWR Jazzhaus entered into collaboration with NAXOS Germany in 2015.
